You Should Forget Politics and Settle Down to Business

Cast about near and afar for the things that will assist a debilitated business and you will find no remedy either as economical or effective as Tee-Dee Want Ads. We dwell particularly on the value of Tee-Dee Want Ads. for the advertising of special articles, and then, too, don't overlook the fact that every special article you advertise from your stock is an index to the greater array of bargains that you have at your store. Do you understand what that means? It means simply that by advertising a few specials each day in Tee-Dee Want Ads. that you' not only create a demand for the articles advertised, but you also create an additional volume of trade for your entire stock.

Do it to-day-Add Tee-Dee Wants to your advertising campaign.

Storthing Authorizes Government to Take Up Matter With

'Sweden.

(By 'Associated Press.)
CHRISTINA. NORWAY, August 22.—
The Storthing to-day adopted by a vote of 104 to 11 the proposals of the government for the formal opening of negotiations with Sweden for the dissolution of the union. The government proposed to communicate the result of the recent referendum to the Swedish government and to ask it to accept the abrogation of the act of union and to co-operate in negotiations for a pacific settlement of the questions connected with the dissolution, including those ruised by the Swedish Riksdag. The government was also granted power to appoint delegates to conduct the negotiations.
